

The Defence Community Organisation (NQ) aims to provide you with ongoing information on resources and activities within your community. This may include upcoming DCO programs, events and activities or information about events and services in the wider North Queensland community.

A functional way for us to do this is to expand our use of electronic messaging. That is essentially email and short message service (SMS).

**Please complete the following information to join the DCONQ Mailing List.**

*"The information you provide is collected solely for the purpose of keeping you and your family informed of information, education programs and activities that facilitate access to resources and connections into your local community. The information you provide will not be disclosed to any other Defence area, organisation or community group. It is not a requirement under law to provide this information."*

Providing the following details will allow us to tailor the information we forward to you.

Are you a Defence Family?
