

## **SENSORY ISSUES WORKSHOP**

*The Sensory Workshop being delivered by Glenda Manktelow and Robyn Broadley of Disability Services will focus on showing how sensory stimuli influences all behaviour and emotional development of those with Autism/Aspergers. The workshop will be interactive and participants will be exposed to situations that will throw light on how those with Autism/Asperger's feel when exposed to sensory stimuli. Participants will learn techniques for decreasing stress experienced by those with Autism/Asperger's. The workshop will help Support Workers, Teachers, Employment Agency Staff, Employers, Community Stakeholders, Parents and anyone interested in autism.*
