

# UNDER 8S

Thank you to those that attended Under 8s Day on Wednesday 7<sup>th</sup> June. It was wonderful to see a whopping 128 parents and family members attend our school for the afternoon to celebrate our early years. Children attended a range of activities including face painting, bookmarks, playing drums, dancing, bubbles, obstacle course; just to name a few. The most popular activities seem to be the sticky slime and the face painting. Our wonderful staff worked hard to ensure students enjoyed the experience. A big shout out to our teachers and student leaders for organising and running this event!
