

# PBL NEWS

The students at The Willows are focusing on being kind. We are filling each other's 'buckets' with encouragement, and positive words. The Mascots had some fun with

the students and our adopted Cowboy this week. They really are a talented trio! Well done to all of the students who have collected their 75 stars and will be participating in the reward this week.

Thank you for your continued support with our Positive Behaviour for Learning!

Better Behaviour-Better Learning
