

YEAR 4

Friday week 6 was rewards day for the Year 4 students. Each student who reached their 75 stars was given an afternoon of free time. Here are some of the activities that students chose to participate in.

Some chose to kick back and relax with a good book.

Others chose to play different board games

For others, painting was the way to go. Everyone enjoyed his or her time and it was a great way to finish off a very busy week of learning!
