

We are writing 4 line rhymes.

Look at the tiny cat
It is very fat.
It saw a brown snake
It was eating green cake.

Look at the tiny pig
It is wearing a long wig.
Then the pig saw a fat rat
It is sitting on a tiny cat.

In Science we are creating wind ornaments that will help chase those nasty ibises away. We need to choose our materials carefully so they will be ok in the weather.

We had fun celebrating "No major behaviours".
