

Queensland Ready Reading

The Ready Reading program is coming to Townsville with training by the Reading Centre scheduled for late August.

Parents and community members are invited to make a difference in their local community by volunteering in schools to support children's reading.

Reading is a powerful tool to help children develop their vocabulary, language skills and imagination. It helps children to develop lifelong skills that will support their future growth and learning.

[Register your interest](#) to become a Ready Reading volunteer and share your knowledge and time to foster a love of reading with children.
