

# Look at what we are learning in PREP!

## Science- Wind ornaments

In Science we have been learning about materials and their properties. With this knowledge, we have created wind ornaments that would be suitable for an outside environment.

## 75 Star Reward Time...

Children that have worked hard for 5 weeks to get their 75 stars have been rewarded with a fun filled morning of outside adventures!

### Learning to eat with the Year 1's

In preparation for next year the preps have been learning to eat with the year one students. The children have been practising sitting in a line and holding on to their rubbish until the end of eating time.
