

## Positive Behaviour for Learning

At The Willows, our whole school community are always demonstrating Safe, Respectful and Responsible behaviour. Our high expectations of behaviour are being explicitly taught through class lessons, Year Level Parades and Whole School Assemblies. It is good to hear these behavioural expectations are being reinforced at home and in the wider community.

As a fantastic year draws to a close our school mascots, Willow, Olive and Waldo are excited about **The Gold Star Reward** which will be happening towards the end of the school term. The **Gold Star Reward** is for students who have shown exemplary behaviour and have consistently followed The Willows Way throughout 2018. There will also be a Term 4 Reward time for each year level to celebrate the excellent behaviour throughout this term.
