

Year 1 News—Term 4, Week 4

We are learning to write a procedure. We will type our final product into a Powerpoint.

Our goal is to write a procedure for a disgusting sandwich. We need to illustrate our procedures, as well as write them.

We are learning to collect and record data. We have also been identifying and explaining what a half is.

Record the information in the table below.

Pets	Data Representation	Total
dog		3
cat		2
bird		5
snake		1

In Health we have been looking at keeping ourselves safe. This is when we are in the car, crossing the road and riding a bike. Last Friday we wore red on the Day for Daniel Day and discussed how we need to Recognise, React and Report.
