

bringing hope to a young generation

Hello to our wonderful school community

I'm Chappy Adam and I have the pleasure of working with and chatting to many students across our school. My role at The Willows is to provide social, emotional, spiritual and educational support where required or desired to students, staff and their families.

Parents and families if I haven't met you or you don't know who I am, your kids will be able to identify me as the one who hands out toast each morning!

Icy Cups

Starting week 6 Icy Cups are on sale on Tuesday and Thursday afternoons to help with Chappy fundraising. Students can come and buy an icy cup for 50c as soon as school finishes from the TCBC kitchen window. With summer fast approaching icy cups are a great way to beat the heat.

Breakfast Program

Each morning a group of students and I cook toast for the school. At 8:45am students can come to the TCBC Kitchen window and grab a piece of toast to eat on their way to class. At this time we do not have access to gluten free bread.

Willows Santa Parade

On the 22nd of November the Willows Shopping Centre Santa Parade will be taking place. We will all meet at 1 Riggs Court, Thuringowa Central at 5:45pm dressed in our favourite Christmas gear. The parade starts at 6:20pm and will end at the Coffee Club entrance. Parents and families are encouraged to walk alongside their kids showing off their Christmas cheer.
