

Coles Sports for Schools

Earlier in the year you will remember we were all madly collecting Coles Vouchers to earn points to 'buy' sports equipment for our school.

With your valued support and our eager students, we managed to collect **85 381** vouchers!

That equated to **12** jam packed postal satchels that weighed a total of **30kgs**!

Mrs Deuble and I enjoyed selecting items to support our PE Curriculum Programs, Season Sport and items just for fun games!

Thank you to our wonderful The Willows community for the fantastic support with this fund-raising event. What an awesome result!
