

## 75 Stars at The Willows      **Week 5**

Last week our students had Reward time for earning at least 75 Stars. Our Safe, Respectful and Responsible learners enjoyed a variety of activities and had fun with their friends and teachers. We are proud to see so many students taking part by achieving the 75 star target. Coming up later this term, students have the opportunity to attend their next 75 Star Reward time and the No major Reward for Term 4.

Year	75 Star Reward Week 5
Prep	Outside Play
1	Disco
2	Rotational games and activities
3	STEM challenges
4	Origami
5	Games and craft
6	Classroom Games

### The Games Room - Supervised Play

The supervised play room is well used at playtime by students from all across the school. They come and play a variety of board games, build with construction materials, play cards, draw or read. This space is evolving and changing to suit our students. Recently they have been colouring and creating posters to advertise our up-coming GOLD Star Reward for students displaying excellence in behaviour across 2018.
