

For the last two weeks, 1 Annert has been working hard on Drama. The students are working in pairs to construct, plan and perform a 30 second role play involving situations in the context of a shopping centre. The children have improved their voice projection and actions to produce some entertaining scenarios. No calls from *'Home and Away'* just yet but I think we're close.

Our awesome award winners for the last two weeks include:

**Week 7**

Attendance Award – Benjahmen

Behaviour Award – Damon

Learning Award – Seann

**Week 8**

Attendance Award – Lui

Behaviour Award – Stephanie

Learning Award – Tennielle
