

The Grinch is a well-known Christmas story. This classic Doctor Seuss children's book was originally adapted into a film in 1966. In 2018 it has been relaunched as an animation directed by Yarrow Cheney and Scott Moiser. This humorous tale is about the Grinch who despises Christmas. The famous actor, Benedict Cumberbatch, voiced the Grinch. We see flashbacks to the Grinch's past where we realise that he has never felt the joy of Christmas. He decides to ensure that no one else feels this joy either by stealing all of the Christmas decorations and presents. But what he doesn't realise is that Christmas isn't all about presents as we find out from the character, Cindy-Lou. The story is filled with laughs, with one of the best scenes showing the Grinch's loyal pet, Max, struggling to pull the sleigh. This film is appropriate for all ages and is a good choice for those who enjoy comedy.
