

Open Day & Workshop

AEIOU Foundation's early intervention therapy and care service develops essential life skills for young children with autism (aged 2 - 6 years).

Parents, caregivers, and health and educational professionals are invited to explore our facilities, learn about our family-focused approach and meet our specialist team.

We're also facilitating an introductory **Communication Workshop**, which will provide tools and skills to assist in the home and community.

Date: Tuesday 11 June

Time: 5pm

Location: 22 Ridley Road, Kirwan
