

On Wednesday, The Willows State School began the Cowboys Try for 5! Challenge, sponsored by M&J Chickens. We were excited to celebrate the students of 3Pro who had 95% attendance in the first semester. Retired Cowboys player Ray Thompson and CR Russ Cook joined the school to congratulate these students. Miss Proven and the students were awarded The Willows 'Attendance Stars' badge. Ray talked to the students about the importance of being at school every day and having gratitude for learning. They had great fun with their new Try for 5 skipping ropes and a game with Ray. Each term we will be acknowledging and celebrating the class with the highest attendance.
