

Crafting up Connections

An after school group for primary school aged children to help build on their social skills.

Connecting with a device is easy but it isn't always as easy to put it down and do something that connects us with both nature and those around us.

Join the MeToo team every second Thursday for an afternoon of nature-based hands on Crafts.

When: Thursday afternoons fortnightly during term 3

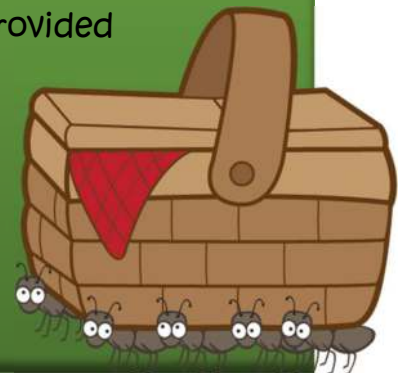

Who: Primary school aged children

Time: 3:30pm-4:30pm

Dates: 01/08, 15/08, 29/08, 12/09.

What to bring: We recommend wearing clothes you don't mind getting dirty. A fresh picnic afternoon tea will be provided

Location: Youth Hub 2-14 Sporting Drive,
Thuringowa Central, Townsville.
