

Look what we are learning in Term 3 ~ Grade 1!

English Unit 4 – ‘Examining Language of Communication – Questioning’

We are learning to create a new character for a familiar story and discuss choices in an interview.

Students will:

- Choose a character.
- Plan to create a character.
- Draw a picture of a character.
- Prepare and practise answers to interview questions.
- Complete the interview.

We will be reading the books:

Willy the Wimp, Willy and Hugh and Willy the Champ

English Unit 5 – ‘Retelling Cultural Stories’

We are learning to create and present a retelling of a traditional or cultural story.

Students will:

- Write a retelling of a traditional or cultural story.
- Create and explain an image.
- Plan and rehearse the retelling presentation.
- Present the retelling.

Maths – Unit 3

We are learning to:

- Explain time durations and tell time to the half hour.
- Use simple strategies to reason and solve location inquiry questions.
- Measure and order objects based on length and capacity using informal units
- Describe number sequences resulting from skip counting by twos, fives and tens, count to and from 100 and locate numbers on a number line. Students recognise Australian coins according to their value.
- Describe the features of 2-Dimensional shapes and 3-Dimensional objects.

Science Unit 3 – “Changes around me”

We are learning to describe objects and events that we encounter in our everyday lives.

We are learning to describe changes in the local environment.

We are learning to respond to questions and sort and share observations.

History – “Exploring Daily Life”

We are learning to pose questions about daily life in the past and then relate a story explaining aspects that have changed and remained the same.

Digital Technology ‘Computers Handy Helpers’

We are learning to identify the purposes of common digital systems, represent data to make meaning, create and share information using collected data to convey meaning, and design an algorithm to solve a problem.

Design Technology 'It's Showtime'

We are learning to design a character puppet with moving parts to use in a puppet show.

Health 'We all Belong'

We are learning to recognise how strengths and achievements contribute to identity and identify how emotional responses impact on others' feelings.

Dance 'Dancing Seasons'

We are learning to perform, choreograph and respond to dance using seasons as stimulus.

Physical Education 'Catch me if you can'

We are learning to demonstrate dodging and running skills and test alternatives to evade others or objects in tagging games. We are learning to demonstrate strategies to work in groups and play fairly during tagging games.

Music 'Different Places'

We are learning to compose, perform and respond to music about different places.
