

THE WILLOWS STATE SCHOOL

Excellence is the Standard

Dear Parents/Guardians,

The Year 6 students of 2020 will have the opportunity to purchase a special senior shirt to commemorate their final year at primary school. This shirt is made using the school colours and will carry the school logo and name, but will be different from the **official** school uniform.

The shirt **is not** replacing our uniform. Year 6 students are still expected to wear their official school uniform for school functions and events.

The senior shirt can be worn on any school day **except for school excursions and special days- on these days the mandatory full school uniform must be worn.** This uniform will showcase our year 6 students as leaders and an example to our younger students.

Orders with payment of \$36 will need to be returned to the office no later than Friday 21st February 2020.

It is not compulsory to buy the special Year 6 shirt, but it is a great memento for your child's final year at primary school.

Regards,

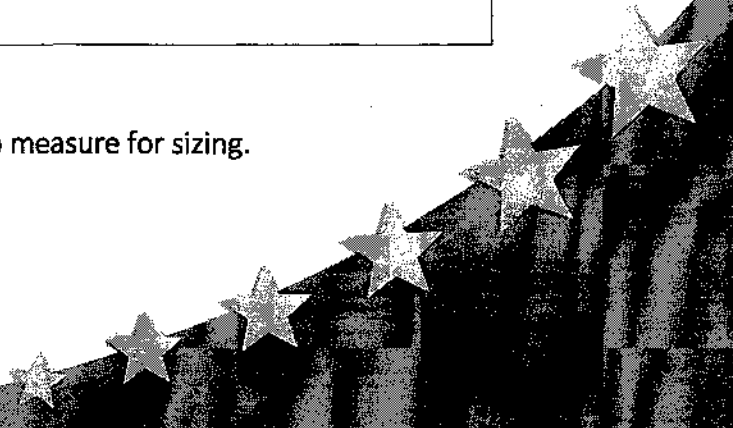

Helen McCullough
Principal
