

Positive Behaviour for Learning

PBL Fortnightly Focus

Be Kind – All the Time

To start Term 2 our PBL fortnightly focus has been ***Be Kind – All the Time***. Students have had activities available to re-inforce ways we can show kindness to others. Some students have made posters of ways to be kind, while others have been writing appreciation letters to friends and family. There have also been stories to read or listen to and discussions about how we show kindness.

PBL Focus: Be Kind – All the Time!

◆ Share one way you have been kind at home during Week 1 or over the weekend

Year 2 students and teachers had an on-line discussion about ways to be kind at home.

Our Safe, Respectful and Responsible students have had an amazing start to Term 2 and are following our school rules which allow us all to be Remote Learners, both at school and at home.

While working on their Remote Learning, students who have access to the internet, may complete PBL Lessons through The Learning Place – It is located on your Year level homepage, by clicking on the **edStudio link**. PBL activities can also be found in the PBL section of paper packs.

Bullying - No Way

At the end of Term 1, students were invited to participate in an anti-bullying poster competition being held by Interrelate. Many of our students participated and these were sent to the organisers for judging - schools will be notified if a student has been selected as a finalist. You may see some of the entries on display around the school, as reminders for students to be kind and respectful to others. Congratulations to all the students who participated, there were a lot of amazing ideas and messages in their posters.
