### **Important Messages**

- Gate B is now in front of Administration (The old Gate B will be a construction site and only approved workers are allowed)
- Cars only at Stop, Drop and Go. Pedestrians will be asked to go to Gate B or C - This is for the safety of our children
- Ensure your children know which gate to meet at
- It is really helpful to have your A4 Name Sheet in your window at Stop, Drop and go so we can organise the children and keep a steady flow of traffic
