

# Positive Behaviour for Learning

## Welcome to Term 3!

Thank you families, for supporting your students with their learning and behaviour. It has been a wonderful start to the Term, with students following the school rules of being Safe, Respectful and Responsible in all areas of the school. Don't forget to check in at home with your students about our Fortnightly Focus. Having discussions about what they have been learning in PBL and the Fortnightly Focus, creates another positive link between school and home.

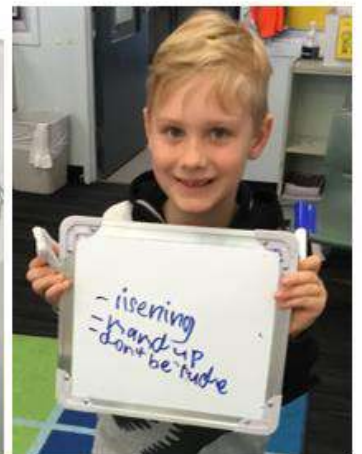

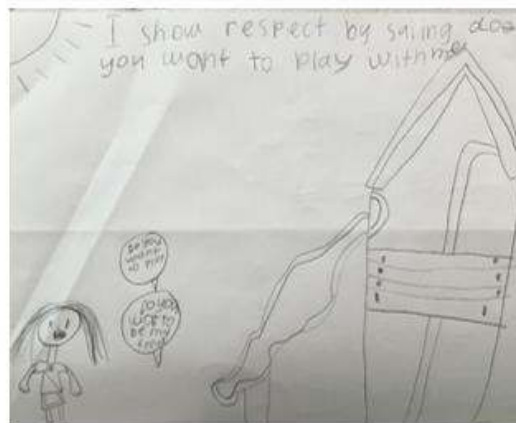

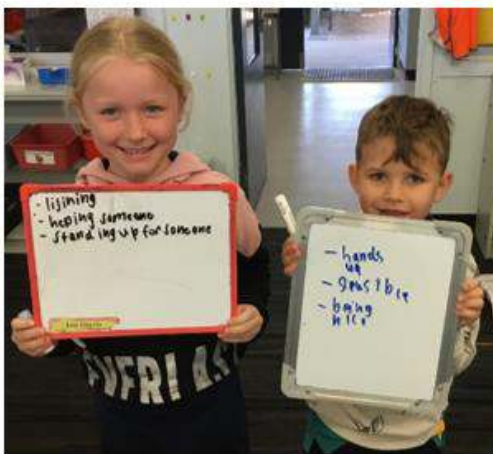

## PBL Fortnightly Focus

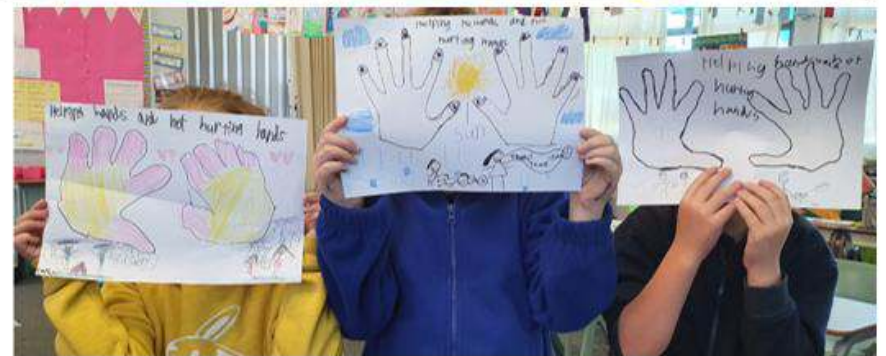

### Show Respect through words and actions

This fortnight our focus has been to **Show Respect through our words and actions**. All classes revisited the way to speak politely and respectfully to all at school and created visual displays of ways to inform the community. They have also participated in lessons about the importance of showing respect through our actions, being safe and helping our friends.

Year 1 made lists and drew pictures depicting how they show Respect. Great job Year 1.

Year 6 have created amazing Posters to spread the word. What fabulous and creative work.

## **Positive Behaviour for Learning - End of Term 2 Acknowledgements**

At the end of Term 2 our students celebrated their amazing behaviour with a range of activities that our teachers organised. Everyone had a great time. The science and technology tasks, movies, games and craft were just some of engaging activities available for the various age groups.

Check out the pictures below for all the fun that was had in the last few days of the Term. We are looking forward to seeing all our students displaying the high standards of learning and behaviour and participating in the rewards this Term.
