## Year 6 Leadership Camp

Dear Parents and Caregivers,

It is with regret that we advise that the Year 6 Leadership Camp to Magnetic Island will not be going ahead due to continuing COVID-19 restrictions. Student and staff safety is our number one priority and we thank you for your ongoing support and understanding.

To replace this extra-curricular activity, our team is currently working with Kirwan State High School to provide a 2 day leadership adventure program. This program is being planned to take place within the first 2 week of Term 4 and will be provided in partnership with the staff of Kirwan High and The Willows. We are confident that by providing similar activities at our local state high school that our students will have lots of fun, learn some fantastic skills and form great connections with some of the staff at Kirwan State High School.

Kirwan State High School is a State School and therefore the safety of students is greater assured through holding these activities on our sites.

The cost of this program is still being confirmed and the deposit that was made for the Leadership camp will carry over to the new activity. There will be no overnight activities this year.

Over the coming weeks we will confirm further information regarding the Leadership Adventure Days at Kirwan State High School the information (Dates, Cost, Permission and medical consent) will be provided to parents.

If you have any questions please don't hesitate to contact Mr. Tod on 47991333.

Kind Regards

Helen McCullough  
Principal

Cameron Tod
