

Collective Leadership - Student Council

Our Student Council have been brainstorming and working with their peers to plan their next school fundraising event. The students have arranged a dress up day for the students to come dressed as a favourite staff member from The Willows. They are excited to announce the information for this event;

Dress up as a Staff Member Day - Wednesday 23 June 2021

We are inviting all students to come dressed as a school staff member. Please wear school appropriate, sun-safe clothing and bring a **Gold Coin Donation**. The Student Council members are excited to see all the different outfits.

All funds raised will be donated to Ronald McDonald House Charities.
