

## Positive Behaviour for Learning

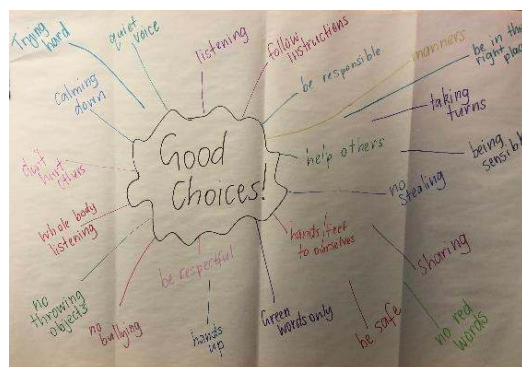

As we find ourselves at the end of Term 2, we wish to thank our families for their on-going support of Positive Behaviour for Learning. The consistent messages from home and school around high expectations for behaviour allows our students to feel supported and have success. We also acknowledge how our students are striving to achieve. They have been modelling positive behaviours, treating members of our school community with respect and applying themselves to their learning.

### **Use manners and greet others politely**

This fortnight our focus has been '**Use manners and greet others politely**' and has allowed our students to discuss why having manners and being polite is important. Throughout the school students have been displaying manners and role-playing different ways to greet people politely. Some year levels have created posters and made displays for their rooms. Across the school classes have investigated what it looks like and feels like to be **respectful** and be **respected**.

Year 1 have completed a lot of great work last fortnight on Respect and how to make good choices. Look at Year one, getting their learning done.

## Student Council Fundraiser

### **Dress up as a Staff Member**

The Student Council have been working hard on a variety of projects to engage students, raise money for Ronald McDonald House and make a difference in our school community.

The Student Council held a '**Dress up as a Staff Member Day**' on Wednesday of the last week of the Term.

Everyone who came to school dressed up donated a gold coin. All funds raised are going to Ronald McDonald House. What a great way to end the Term – look out for images in our first newsletter of Term 3.

## Interrelate Poster Competition Celebration

Recently over 70 students from our school chose to participate in the Interrelate Say No to Bullying Poster Competition. Interrelate have completed the judging process for this competition and we are excited to announce that Anetta and Annalee from Year 4 were both finalists.

During the recent on-line ceremony they and their class, were excited to see their posters displayed. Among a group of 40 posters selected from across Australia, we were proud to see their work. They did not win the competition this year but we look forward to seeing our school contributing again next year. Congratulations Anetta and Annalee on your outstanding achievement.

## **Reward Time in Week 10**

Across our school, celebrations of positive behaviour take place in the last week of the Term. We hold the 75 Star Reward and also the Term 2 No Major Reward. This acknowledges all our students who have been displaying excellent behaviour, allowing them to have reward time with their class and celebrate together. We look forward to seeing more of this excellent behaviour in Term 3.
