## Year 6 2022 High School Enrolment

3 June 2021

Dear Parent/Carer,

As we approach the end of your child's primary schooling at The Willows State School, we as a school are seeking information and confirmation of your child's enrolment for High School in 2022.

Students attending a State High School in Townsville in 2022 will have the opportunity to attend a transition day on Wednesday 1<sup>st</sup> December at their enrolled State High School.

If your student is not enrolled, they will not be permitted to attend this transition day. Enrolment of your student needs to be completed as soon as possible to ensure placement for 2022, and ability to attend the transition day at your selected State High School.
