

Positive Behaviour for Learning

PBL
Fortnightly
Focus

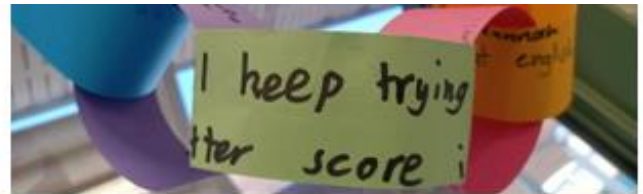

Attempt all set tasks

This fortnight our focus has been **Attempt all set tasks**.

At The Willows we know all families wish their children to display excellent learning and behaviour by being safe, respectful and responsible at school.

Across the school during PBL lessons and Year Level Parades all students have discussed what it means to Attempt all set tasks and how it is important to have-a-go. The students have made lists, drawn pictures and created displays about attempting all the work set for them and remembering that they may not be able to do something ...yet but they can learn.

"Attempting all set tasks" - The year 3's linked this focus to having a growth mindset - never giving up and giving everything your best shot! You may not achieve your set goal the first (or even the second) time however, reach for the stars and you'll achieve your dreams!

Rock your Socks Day Fundraiser – Thursday 2 September 2021

The Student Council members have been working hard planning their next event, “Rock your Socks Day” to raise money for Ronald McDonald House and make a difference in our community.

Everyone is invited to **Rock your Socks** at school on Thursday of week 8. If your child wishes to participate by wearing fun and colourful socks on this day, please bring a gold coin donation. All funds raised are going to Ronald McDonald House.

Positive Behaviour for Learning – 75 Stars in Week 10

In week 10 our students who have gained 75 stars or more on their Star Chart, will be celebrating by participating in fun activities with their class. Every student is well on the way to achieving this goal. Students will be participating in activities such as; Board games, classroom art and craft activities, outside games and technology tasks. We always look forward to acknowledging our students during these rewards.

No Major Rewards

We have a busy week 10 coming up, as the No Major rewards will also take place. Students who have shown excellent behaviour throughout the term will participate in fun activities with their classmates. We are very proud of all the students who are going to participate in these awesome rewards.
