Finish the Year Strong

Everyone has been working hard to have a great end to the school year. Our Fortnightly Focus 'Finish the Year Strong' has allowed students to work on showing respect to each other, being safe and using kind words and actions.

Students in Year 2 are finishing the year strong, both in their work and being kind. Students have been writing kind messages to share with their peers in the paper bags.

What a lovely way to be caring towards each other. Well done Year 2.

Collective Leadership - Student Council

Our Student Council have contributed to the school lunchtime activities through the purchase of sport equipment. Working with their classes to suggest items, they have now created packs for the students to use next year. Well done!

They would also proudly announce that this year, through various fundraising events, we have raised **\$2679.45** for Ronald McDonald House Charities through this event.

Great work everyone, Willows Proud.

Student Council – Sports Equipment

The 2021 Student Council recently voted to purchase sports equipment for use across all areas of the school at playtime. They consulted their classes and decided which items would be fun to use in the playground. The outgoing student council have unpacked the sports and games equipment and it will be ready to use early in 2022.

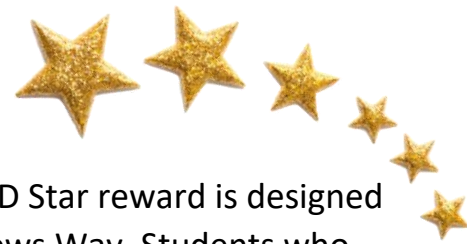

Great work team!

2021 End of Year - GOLD Star Reward

The GOLD Star Rewards, were held at the end of Week 9. The GOLD Star reward is designed to acknowledge students who have consistently followed The Willows Way. Students who participated were involved in a range of age-appropriate activities with their teachers.

We constantly celebrate our student successes and this reward is designed to acknowledge excellence in behaviour. We enjoyed seeing so many students join in the GOLD Rewards.

Term 4 – 75 Star and No Major Reward Time

This week our students have celebrated the final 75 Star Reward for the year and there have also been fun activities for students who have displayed excellent behaviour throughout all of Term 4.

There are many different activities and all students will be catered for at these times. The teachers are excited to be involved in these fun activities to finish the year and celebrate excellent learning and behaviour.
