

Prep: Term 1

English Unit 1 - 'Enjoying Our New World'

Students are learning to talk about their favourite stories.

Students will be choosing a story they have read or listened to and discuss the following:

- The story
- The main character/s
- Feelings about the main character/s
- Likes and dislikes about the main character/s
- An event from the story
- Feelings about the story
- Ideas in the story connected to our own experiences

Some books students will be reading: Clancy and Millie, Bear and Chook, Russell the Sheep

Maths Unit 1

Students are learning to:

- Group familiar objects based on similar characteristics

Students will also be learning about:

- Representing numbers from 1-10
- Investigating patterns in the environment
- Investigating and compare the size of objects
- Matching numerals to quantities
- Ordering and sequencing everyday events

Science Unit 1 – 'Our Living World'

Students are learning to represent, share and reflect on observations about the needs of living things and how an environment can affect them. Students will also learn how to ask and respond to science questions.

HASS (Humanities and Social Sciences) Unit 1 - 'My Family History'

Students are learning to explore important events celebrated in our lives, and identify how people and objects help them to remember these events.

Digital Technologies

Students will be learning to recognise and explore digital systems and describe their purpose. They will be designing a code for Bee Bot.

Health Unit 2 – 'I am Growing and Changing'

Students will recognise how they are growing and changing and identify actions that help them stay healthy and physically active.

HPE- Movement 'Let's Get Moving'

Students are learning to perform a range of fundamental movement skills and apply them to solve movement challenges. They will apply practices to keep ourselves safe, including following rules in simple activities and games.

The Arts

Students are learning to respond to, devise, choreograph and perform dance and drama that uses storytelling.

Music 'Music in our New World'

Students are learning to compose, perform and respond to music using the stimulus of different texts.
