<u>Year 6-Term 1</u>
English Unit 1 - 'Short Stories'
Students are learning to analyse and compare text structures and language features authors use to influence readers. Students will write an imaginative and entertaining short story about a character who faces a conflict.

Maths Unit 1 - 'Data decoder' and 'Rodeo Round-Up'
Students are learning to:
- o Interpret and use timetables and cost information to determine a travel schedule
- o Interpret, compare and analyse data displays to make decisions

Science Unit 1 - 'Making Changes'
Students are learning to:
- o Plan and conduct an investigation into reversible and irreversible changes
- o Identify potential safety risks and suggest how these can be reduced

HASS (Humanities and Social Sciences) Unit 1 - 'Australia in the Past'
Students are learning to explain the significance of key people, events, institutions and processes to the development of the Australian nation.

Digital Technologies Unit 2 – 'Data Changing Our Worlds'
Students are learning to:
- o Explain how information systems meet needs of people
- o Represent a variety of data types in digital systems
- o Design and create an interactive spreadsheet and share information ethically

Design and Technologies Unit 2 - 'Hand's Off!'
Students are learning to:
- o Design a solution to an environment's security need
- o Make an electrical device that is part of the solution

Health Unit 1 - 'Who influences me?'
Students will access and interpret health information and construct a health message appropriate to their age group.

HPE- Movement Unit 4 - 'Over the net'
Students are learning to perform specialised tennis skills. They will combine movement concepts and strategies during games to open up space on the court to win points or gain control during rallies. Students will demonstrate fair play and skills to work collaboratively during tennis activities and games.

Music Unit 2 – Around the World with Music
Students are learning to perform, compose and respond to music from other cultures.

The Arts – Unit 1
Students are learning to respond to, devise, choreograph and perform dance and drama that uses symmetry

LOTE (Language other than English: French) Unit 1- 'What is character?'
Students are learning to create a description of a hero based on their self-identity and reflect on their own cultural identity.
