

THE WILLOWS STATE SCHOOL

Excellence is the Standard

8 February 2022

Dear Parents,

The Willows State School has chosen to partner with Life Education, a specialist health education provider. The Life Education Mobile Learning Centre will be visiting our school for Year 1, Year 3 and Year 6 from the 24th of February to the 2nd of March. They will be engaging with all of our students over the year in some exciting and memorable learning experiences, which are aligned with the Australian Health and Physical Education Curriculum.

Life Education is a health promotion charity and the largest non-government provider of health and drug education to children. They work in partnership with schools to enhance and reinforce children's learning about nutrition, the benefits of physical activity, staying safe online, the health impacts of smoking and alcohol and strategies to cope with peer and social pressures.

Life Education is about prevention through education – providing your child with important knowledge, skills, confidence and self-esteem to help them live a healthy, safe life. The mobile classrooms make the program accessible, exciting and memorable. They use up-to-date technology and teaching methods, and engage the students through interactive games and activities. Healthy Harold the giraffe, their much loved mascot, helps to deliver their message to primary school children.

What your child will learn.....
