## Be an Upstander not a Bystander

Our Fortnightly Focus at the Willows, has been a clear message about how to be **Safe, Respectful and Responsible** and stand against Bullying in all forms. During positive behaviour for learning lessons, classes listened to stories and songs, and have discussed how they wish to feel at school. They have created posters and rehearsed different ways they could solve problems, using words. Being an Upstander means helping your friends by diffusing a Bullying situation with words and not being physical, not standing by when something is not right.

Year 4 have embraced the PBL focus working hard on posters and practicing kindness and sharing ways to support the campaign bullying no way. Each class have different ideas of how to teach students what to do if, when they see or are bullied. The classes are working hard on their bunting to display in the rooms to remind them of ways to be an Upstander and show kindness to everyone and also creating a slogan for their class to share at the upper school assembly next week. Please enjoy some images. Well done Year 4.

The National Day of Action against Bullying and Violence, is a day for schools, students and the community to say Bullying. No Way!

At The Willows State School, we strive to create a safe and supportive community for everyone and encourage a culture of kindness. This year, students will be involved in a range of fun and interactive activities to address bullying.

**Friday 18<sup>th</sup> of March** - students will participate in a short Bullying No Way parade with their peers.

***At The Willows we say*** Bullying. No Way!

Leading up to the day, students have been creating class pledges to stop bullying and together have created a display for their room about what *Bullying. No Way!* means to them.

If you need any support or advice please have a look at the Bullying. No Way! Website for parents. [www.bullyingnoway.gov.au](http://www.bullyingnoway.gov.au) You are an important part of our work to prevent bullying and respond effectively if it happens. Stopping bullying involves everyone.

### **75 Star Reward Time – Week 4**

All the students who succeeded in earning 75 Stars participated in fun activities to celebrate their excellent effort in learning and behaviour. Our classes across the school could be seen enjoying each other's company and sharing lots of smiles. From outdoor play and dress ups to computer time, drawing and craft, students had a great time together.

We are looking forward to seeing everyone learning and continuing their fantastic behaviour throughout the rest of the Term.
