

## Fortnightly Focus – ‘Show you’re strong, Get-Along’

This fortnight, The Willows State School students will be learning that everyone has the right to feel safe, respected and accepted for who they are, through the focus ***‘Show you’re strong, Get-Along’***. Students will learn that at The Willows we are all different and that is OK. There will always be some people we don’t want to play with or who have different ideas to us but we all need to work together to *Get-Along* and treat everybody with respect.

Through artwork, games and hands on role play activities we will learn to take turns, share and always be safe, respectful and responsible at school.

## Queensland Engagement and Wellbeing Survey

In Term 2, Year 4-6 students will be asked to take part in the Queensland Engagement and Wellbeing (QEW) Survey.

We know that wellbeing and engagement are important parts of your child’s life at school. The QEW Survey is designed to measure how students view their wellbeing and engagement across different topics as shown. The information we get from the survey helps us better understand and support our students.

An information letter will be sent out to parents and carers closer to the time for those students participating. If you have any questions, please contact the school. More information, including FAQs, can be found on the Education website:

(<https://qed.qld.gov.au/publications/reports/statistics/schooling/students/queensland-engagement-wellbeing-survey>).
