

Positive Behaviour for Learning News

Welcome back to Term 3, I hope everyone had a safe and enjoyable break. I'm looking forward to another productive term at TWSS.

PBL Fortnightly Focus

The fortnightly focus is 'Get Up! Stand Up! Show Up!' and coincides with this year's Naidoc week theme.

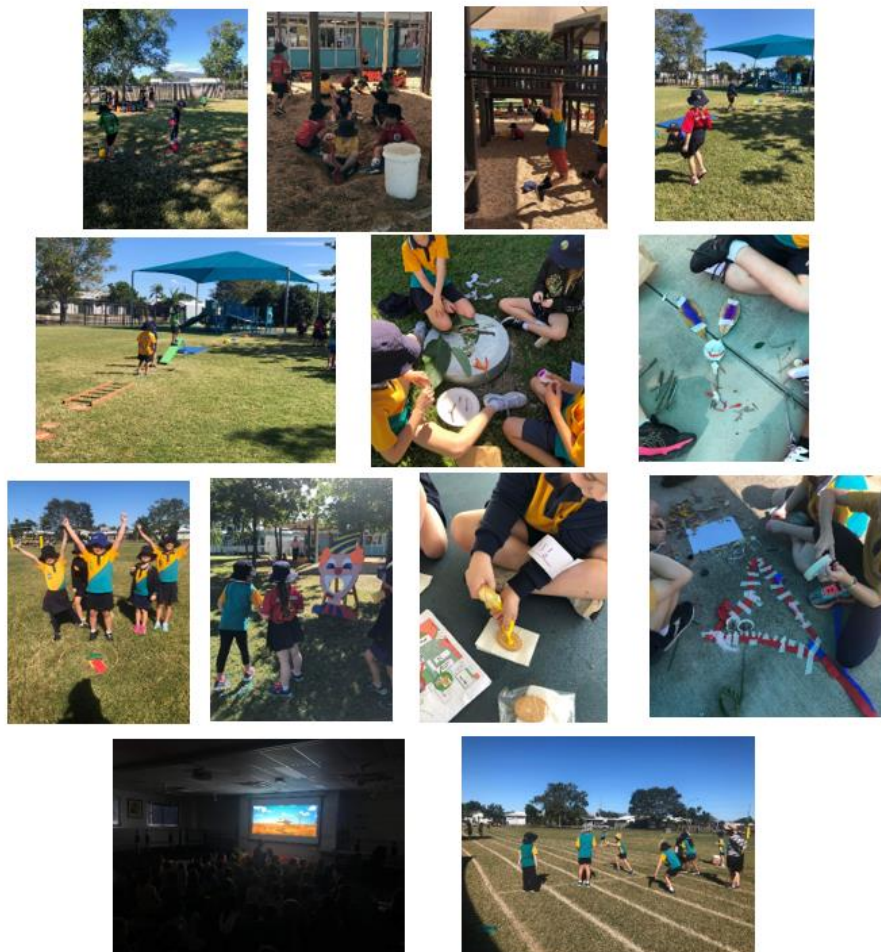

This year's theme is a call to amplify First Nations voices, to celebrate those driving change in their communities and for us all to work towards a collaborative future. We will brainstorm ways that students can embody the theme both at school and home.

75-Star and Silver Star Rewards - Week 10, Term 2.

Congratulations to all the students who were frequently caught being Safe, Respectful and Responsible last term. The pictures below are of some of the activities that the students enjoyed at the end of last term.

Remember that we are starting fresh this term and everyone can work towards the 75 Star and Silver Star Rewards. Students will be working hard at making the best choices they can to achieve this.
