

# THE WILLOWS STATE SCHOOL

*Excellence is the Standard*

## 2023 Student Resource Scheme (SRS) Information Prep Handwriting Book

The Willows State School is operating through the Department of Education's Student Resource Scheme (SRS) to purchase and supply handwriting books for our **Prep students** in 2023.

### How does it work?

- The SRS is a user pays scheme
- Families may choose to opt in or opt out of the SRS
- Families who 'opt in' to the SRS will be invoiced and supplied with a copy of the Prep handwriting book: *'Writing Time F QLD Beginner's Alphabet'*
- Families who 'opt out' of the SRS must purchase and provide their own copy of the Prep handwriting book: *'Writing Time F QLD Beginner's Alphabet'* (see below picture for image of the correct book)

### SRS Cost

- \$11.50

### What else do you need to know?

- We have sourced suppliers to ensure that we are buying our text at competitive prices.
  - Other suppliers' *average* cost is \$14.95
- The attached form needs to be returned whether or not you are opting in, so the school is aware of your decision
- Once the completed form has been returned, families who have chosen to 'opt in' will be issued an invoice for \$11.50
- Students will not be issued the handwriting book until the SRS participation form is returned and the invoice is paid.
